

Institute of Engineering & Technology, DAVV

NOTICE
(For Seventh-Semester Internship Students)

Date: 06/10/2025

It has been brought to the notice of the Examination Cell that several students who are currently pursuing their Seventh-Semester Internships, have not registered on NPTEL for the valuation of two subjects as prescribed by their respective departments. As per the Institute's *Credit Transfer Policy for Foreign Universities and MOOC Courses*, approved in the Departmental Committee Meeting held on 26th July 2025, it is clearly stated that:

In case a student fails to qualify in the NPTEL/SWAYAM Online Certification Examination for a specified subject, a Special Examination will be conducted by the Institute for that subject. This will be considered as the student's second attempt and will be reflected accordingly in the marksheet. [Ref: Point 6(c)]. Accordingly, for these students, a Special Semester Examination will be conducted in December 2025.

All other students who have registered on NPTEL must complete all required assessments and submit their certificates for Credit Transfer without fail.

Furthermore: Internal Tests, Project Presentations, and Comprehensive Viva-Voce will be conducted jointly for all internship students. The detailed Examination Schedule will be announced shortly by the Examination Cell.
