

FREQUENTLY ASKED QUESTIONS (FAQs)

Institute of Engineering & Technology (IET), DAVV, Indore

Undergraduate Admissions — B.Tech. Programmes

Q1. What is the status and recognition of IET DAVV?

IET DAVV is a premier government engineering institute established in 1996 under Devi Ahilya Vishwavidyalaya (DAVV), a State University of Madhya Pradesh.

The institute offers AICTE-approved undergraduate, postgraduate, and doctoral programmes in engineering, technology, management, and applied sciences.

Q2. Where is IET DAVV located?

The institute is located at:

Institute of Engineering & Technology (IET) Vikramshila Campus, Khandwa Road, Indore – 452017, Madhya Pradesh, India.

Indore is one of India's leading educational and industrial cities, offering excellent academic and career opportunities.

Q3. How can I get admission to B.Tech. programmes at IET DAVV?

Admission to B.Tech. programmes is carried out through the counselling process conducted by the **Directorate of Technical Education (DTE), Bhopal, Madhya Pradesh, based on JEE (Main) merit/rank.**

Students are required to:

- Appear in JEE (Main).
- Register for DTE MP Counselling.
- Fill choice preferences for IET DAVV branches.
- Participate in seat allotment and the admission process.

Q4. Does IET DAVV conduct a separate entrance examination for B.Tech. admissions?

No. IET DAVV does not conduct any separate entrance examination for B.Tech. admissions. Admissions are strictly based on JEE (Main) scores through DTE counselling.

Q5. Can I apply directly to the institute for B.Tech. admission?

Regular B.Tech. admissions are conducted **exclusively through DTE counselling based on JEE (Main) merit.** Candidates should regularly check counselling notifications issued by DTE Madhya Pradesh and the institute website.

Q6. What is the eligibility criteria for B.Tech. admission?

A candidate must:

- Have passed Class 12th (or equivalent) from a recognized board.
- Have Physics and Mathematics as compulsory subjects.
- Have one additional subject: Chemistry / Biotechnology / Biology / Computer Science or equivalent, as prescribed by DTE Bhopal.
- Secure minimum qualifying marks:
 - 45% marks for General / OBC / EWS candidates.
 - 40% marks for SC / ST candidates.

Q7. What B.Tech. branches / specialisations are available at IET DAVV?

The following B.Tech. programmes are currently offered:

B.Tech. Programme	Intake*
Computer Science & Engineering (CSE)	120
Information Technology (IT)	120
Electronics & Telecommunication Engineering (E&TC)	120
Computer Science & Business Systems (CSBS)	120
Electronics & Instrumentation Engineering (E&I)	60
Mechanical Engineering (ME)	60
Civil Engineering (CE)	60
Industrial Production (IP)	60
Electrical & Electronics Engineering (EEE)	60

* Intake may vary as per approval of competent authorities.

Q8. Which are the newly introduced programmes at IET DAVV?
