1. This hostel allotment is valid only for the First Year and only for the current academic session, as notified in the University's Academic Calendar.
2. Students must vacate the hostel immediately after completion of the academic session or as directed by the Hostel Administration.
3. Hostel accommodation in the Second Year and subsequent years is not automatic. It shall be considered only on the basis of:
 - Availability of vacant seats.
 - Academic performance.

6. The hostel mess facility is compulsory for all resident students. Food/tiffin from outside, cooking inside hostel rooms, or using electrical cooking appliances is strictly prohibited unless specifically permitted by the Hostel Administration.
7. Hostel residents shall comply with all hostel rules, timings, visitor regulations, attendance requirements, safety instructions, and other directions issued by the Warden/Hostel Administration from time to time.
8. Students shall be responsible for the proper care of hostel property. Any loss or damage caused by a student shall be recovered from the concerned student(s), in addition to disciplinary action.
