

DEVI AHILYA VISHWAVIDYALAYA, INDORE
INSTITUTE OF ENGINEERING & TECHNOLOGY
B.E. IV YR. (For Industry Internship students only) (All Branches) EXAMINATION MAY 2026
THEORY EXAMINATION TIME TABLE- ALL BRANCHES

TIME: 10:00 AM To 01:00 PM

Date: 09/05/2026

THEORY EXAM TIME TABLE - ALL BRANCHES

Date	Computer Engg.	IT	E&TC	E&I	MECH	Civil
18.05.2026	8C2611 Introduction to Large Language Model	8I2611 Block Chain Technology and its Applications	8T2611 Network Security	8E2611 Embedded Sensing, Actuation and Interfacing	8M2611 Computer Integrated Manufacturing	8V2611 Maintenance and Repair of Concrete Structures
19.05.2026	8C2612 Introduction to Soft Computing	8I2612 Deep Learning	8T2612 Introduction to Database Systems	8E2612 Data Analytics with Python	8M2612 Noise Management & Control	8V2612 Energy Efficiency, Acoustics and Daylighting in Building

Note :- Students who wish to appear for the exam are required to submit an undertaking/declaration to exam dept. on 15th/16th May 2026.

Please note that students who fail to submit the undertaking/declaration will not be permitted to appear for this exam.

DECLARATION FOR END SEMESTER EXAMINATION
IET DAVV – Applicable for NPTEL Registered Students

I, _____, Roll No. _____, student of _____ year and branch/semester, hereby declare that:

I wish to appear in the End Semester Examination May 2026, of IET DAVV. I understand and agree to the following conditions:

Condition 1: Student Not Registered for NPTEL Exam

If I have not registered for the NPTEL examination, I may appear for the End Semester Examination of IET DAVV. However, this attempt will be counted as my Second Attempt.

Condition 2: Student Registered (but not given exam)/Appeared/failed (either in one subject or both subjects) for NPTEL Exam

If I have registered (but not given exam)/appeared/failed for one or both subjects in the NPTEL examination, and still choose to appear for the End Semester Examination of IET DAVV:

- If I successfully clear the NPTEL examination, priority will be given to the NPTEL result. The final grade sheet will be prepared by the Institute using the NPTEL certificate as per credit transfer policy.
- If I fail to pass NPTEL exam, the End Semester Examination of IET DAVV will be counted for result declaration but it will be treated as my Second Attempt.

I accept that the above rules are final and binding.

Date: _____

List of the Subjects Offered to Interns of 2026 Batch in VIII Semester

COMPUTER ENGINEERING

	Name of the Subject/Subject Code	Mentor
1	8C2611 Introduction to Large Language Model	Dr. Jitendra Soni
2	8C2612 Introduction to Soft Computing	Mr. Amit Mittal

INFORMATION TECHNOLOGY

Sr. No.	Name of the Subject/Subject Code	Mentor
1	8I2611 Block Chain Technology and its Applications	Mr. Narendra Solanki
2	8I2612 Deep Learning	Mr. Ravindra Yadav

ELECTRONICS & TELECOMMUNICATION

Sr. No.	Name of the Subject/Subject Code	Mentor
1	8T2611 Network Security	Dr. Dheeraj Nitnaware
2	8T2612 Introduction to Database Systems	Mr. B. S. Bhalavi

ELECTRONICS & INSTRUMENTATION

Sr. No.	Name of the Subject	Mentor
1	8E2611 Embedded Sensing, Actuation and Interfacing	Dr. Shashi Prakash
2	8E2612 Data Analytics with Python	Dr. Ajay Verma

MECHANICAL ENGINEERING

Sr. No.	Name of the Subject/Subject Code	Mentor
1	8M2611 Computer Integrated Manufacturing	Dr. Vijay Karma
2	8M2612 Noise Management & Control	Dr. Amit K Gupta

CIVIL ENGINEERING

Sr. No.	Name of the Subject	Mentor
1	8V2611 Maintenance and Repair of Concrete Structures	Dr. Girish Patidar
2	8V2612 Energy Efficiency, Accoustics and Daylighting in Building	Dr. Gajendra Verma

Note: Students are required to contact respective mentors for one test and one assignment. Mentors are required to conduct Test on either 15th or 16th as per availiibty of students.
